DOUBLE RAIL ACCIDENT CARRIES DEATH IN WAKE

EIGHT BURIED, 2
DIE AS TUNNEL
COLLAPSES; 4
INJURED IN
WRECK

SAN FRANCISCO, April 10.—Eight men were buried alive by a cave-in in the west portal of the Twin Peaks tunnel this morning when the scaffolding and supports collapsed.

Two unidentified men are dying, one with a fractured skull, the other badly crushed.

George Zillies suffered severe lacerations and internal injuries. J. Spreck was crushed about the chest. Harry Cole received internal injuries, as did Nicholas Odiash. Lawrence Killilea suffered a wrenched back and internal injuries.

One unidentified man, who is badly hurt, but the extent of whose injuries is not known, heard the roar preceding the collapse and warned scores of others, who escaped.

SALINAS, Cal., April 10.—Southbound Southern Pacific train No. 10 on the Coast Line, was wrecked at Gonzales, twenty miles south of here at 3 o'clock this morning. The engine and five coaches were derailed.

Fireman Sprain was killed.

Engineer Wilson, Mail Clerk P. H. Scott and Assistant Mail Clerk W. D. Mosher are less seriously hurt.

All are from San Francisco.

The cause of the accident has not been determined.

STANFORD BOATS
WIN DOUBLE
VICTORIES

OAKLAND, April 10.—Stanford University was victorious in both the Varsity and Freshman races at the annual regatta here today. Washington came in second and California third in both events.

Stanford took the Varsity race, rowing in splendid form and defeating Washington by a length and a half. California a hopeless third.

The Stanford Freshmen led the Washington crew by four lengths with California nine lengths behind Washington.

A tremendous crowd lined the shore and filled observation trains and hundreds of boats.

The time of the Varsity race, three miles, was 15:37 3-5.

Freshman race, two miles, 11:01 1-5.

Stanford finished in excellent condition, rowing a stroke perfectly timed. Washington's famous crew was rowed off its feet in the final spurt. California was rowed to death in the first mile, and never figured thereafter, though it tried desperately to make up the ground but fell farther back and finished in tagg'd condition with practically every man near collapse.

The Washingtonians splashed badly in the last quarter mile and rowed themselves out, three men practically collapsing as they crossed the line.

Washington drew the most favorable position with Stanford in the middle course and California outside.

Washington and Stanford rowed nose to nose with California hanging at their sterns through the first mile.

The leaders then showed open water between their shells and the trailing Californians.

The relative positions were maintained to the two-mile mark where Washington gained a length owing to her inside position while rounding the bend of the Estuary.

Stanford, rowing beautifully, evened matters at two miles and a half, and then began the final spurt, carrying them home victorious.

JEALOUSY LEADS
UP TO DOUBLE
TRAGEDY

LOS ANGELES, April 10.—James Murray, aged 35 years, a shoemaker, shot and killed Agnes Murray, aged 35 years, his common law wife, early today at their home and then committed suicide by shooting. He used a double-barreled shotgun. Jealousy of the woman's former husband, who recently returned to Los Angeles, is reported as the cause.

RUSSIAN ONSLAUGHTS PROVE IRRESISTIBLE

B EATRICE PRENTICE, who has an important role in "The Clever Ones" at the Punch and Judy Theatre in New York, is an importer of Brazilian butterflies, a business which she thought out herself. A steamer arrived the other day with no fewer than 5000 Brazilian butterflies consigned to Miss Prentice. Miss Prentice worked out the theory that a bouquet of beautiful flowers could be made more beautiful if it contained butterflies. The fad has been successful, so successful that Miss Prentice has had to employ help. The butterflies from the warm climate of Brazil find steamheated apartments and well heated houses as congenial as their native climate.

U. S. GUNBOAT SAVES
GOLD-LADEN VESSEL
FROM MEXICAN LOOT

Presence of Denver in Harbor
of Santa Rosalia Forces
Hands-off Policy

SAN FRANCISCO, April 10.—The presence of the United States gunboat Denver in the harbor of Santa Rosalia, Mexico, is the only thing that prevents the seizure of the French steamship Corrigan, II, by the Mexican authorities, according to wireless advices received in San Francisco today from the cruiser Colorado.

The Corrigan is said to have gold bullion and concentrates for General Carranza, to be shipped via Salina Cruz.

The Mexican gunboat General Guerrero arrived for the evident purpose of taking possession but abandoned its plan when she sighted the Denver.

There are conflicting stories of how the accident occurred.

SEVEN ARE HURT
AS JIT BUS HITS
AUTO ON LONG
BEACH ROAD

Seven persons were injured, one of whom may die, in a collision between an auto stage with a trailer and an automobile on the Long Beach-Santa Ana road half way between Bay City and Westminster and seven miles east of Long Beach at 7 o'clock last night.

Among the injured was Dr. Ellen Howard of Long Beach, a masseuse, formerly of Santa Ana. She had one or more ribs broken. Dr. Howard was in Santa Ana yesterday and in the jitney bus was returning to her home in Long Beach when the crash occurred.

There are conflicting stories of how the accident occurred.

The Injured

N. R. Ball, Eighteenth and Pasadena, skull fractured, unconscious.

Dr. Ellen Howard, Ocean Avenue and Cerritos street, rib broken, shoulder sprained.

A. Organ, No. 1525 East Broadway, right hand mashed.

A. J. Richardson, No. 1337 Lime street, collar-bone broken, back sprained.

Mrs. J. E. White, No. 220 Bennett street, right arm and right shoulder broken.

J. E. White, same address, shaken up.

Vance Hill, No. 821 Pacific Avenue, right leg and side bruised.

Others in the accident not injured were W. E. Swisher, No. 914 Pacific Avenue and J. C. Clark, No. 220 Lincoln.

Drawing Trailer

Mr. Hill, in whose car were Stark, Ball and Swisher, was driving his machine. They are members of a revival team of the Long Beach First Methodist church and were going from Long Beach to Westminster to conduct religious services. Hill says the jitney kept to the center of the road and did not swerve to the right until it was upon his car.

The auto bus, on a regular trip from Santa Ana to Long Beach, was dragging a two-wheeled trailer in which were seated two passengers, Richardson and Organ. The trailer collided with Hill's car, which went into the ditch, and both the jitney and the trailer was overturned.

Gives First Aid

Mr. and Mrs. White and Mrs. Howard were thrown out of the jitney bus, while Ball was thrown from the Hill machine. Dr. F. D. Bishop of Long Beach appeared upon the scene in an auto a moment later, and after giving first aid brought Ball and Mrs. White in his machine to the Seaside Hospital. A Long Beach ambulance was called to take Mrs. Howard, Richardson and Organ to the hospital. Mrs. Howard was taken to her home. Hill drove his own car home. A call was sent to Santa Ana for an ambulance, and one was sent out by E. D. Waffle. However, the injured persons had been moved to Long Beach before it arrived.

Hill blames the accident to the practice of auto-stage lines carrying trailers of two and four wheels. He says the jitney swerved out, but the trailer kept in the middle of the road and he was unable to avoid it.

The driver of the auto bus would make no comment last night. He was not injured, but his wife was hurt and his machine was practically wrecked.

LONG BEACH, April 10.—Doctors

say today there is little hope for the recovery of N. R. Ball, one of the seven injured last night when an automobile collided with another machine bearing religious workers to a revival meeting at Westminster.

The others will recover.

GOVERNOR CONSIDERS
PURCHASE OF W. P.

SACRAMENTO, April 10.—Governor Johnson within a few days will issue a statement regarding the proposed purchase of the Western Pacific by the state. Despite statements to the contrary it is said on good authority the Governor plans to continue investigations, though the plan for purchase at the present time may not be feasible.

The general impression this afternoon seemed to be his statement will embody that information.

KARL RITTER, NOTED
SCULPTOR, IS DEAD

NEW YORK, April 10.—Karl Ritter, the noted sculptor, succumbed here today to injuries sustained when he and his wife were struck by an automobile on Broadway.

REPRIEVE GRANTED

SACRAMENTO, April 10.—Governor Johnson today reprieved Louis Bundy, aged seventeen, sentenced to hang for the murder of Harold Zeische.

VILLA TO PROTEST ON
HUERTA ENTERING U. S.

WASHINGTON, April 10.—An-

nouncement is made here today by the Villa agency that the admission of Victoriano Huerta to the United States will be protested on the ground that the former dictator intends to conspire to restore himself to power.

UNIVERSITY STUDENT
TRIES TO ROB JITNEY

SAN FRANCISCO, April 10.—Homer C. Newman, aged 21, an ex-student of California and Stanford universities,

attempted to hold up and rob Benjamin Fowles, a jitney bus driver, this morning, slugging him over the head with a gas pipe.

"I was sick from hunger," Newman told the police after his arrest. He merely stunned Fowles, who grappled, and held him for the police.

T HE mystery of James W. Osborne, noted criminal lawyer in New York City, "Oliver Osborne," who is something like his double, Miss Rae Tanzer, who has sued the lawyer for \$50,000 for breach of promise and Miss Helen Kaiser, has become so involved that experts have refused to guess further. They won't know the solution of the puzzle until the facts are brought out under oath in court. Miss Tanzer sued the lawyer alleging he had promised to marry her. Thereupon Mr. Osborne announced a man named Oliver Osborne had gone to his apartments and explained he was the Osborne who had taken Miss Tanzer out. The lawyer sought the United States attorney and had his accuser indicted for fraudulent use of the mails.

LEXINGTON, April 10.—With several populous towns and villages lying in the path of forest fires in Southern Kentucky which are threatening enormous property losses today, the outskirts of Whitley City and Bauer have already been burned and the flames are making straight for Stearns and other big towns. A population of 3000 will be made homeless unless the fires are controlled in twenty-four hours.

The driver of the auto bus would make no comment last night. He was not injured, but his wife was hurt and his machine was practically wrecked.

MAN IS KILLED
BY TRAIN AT
FULLERTON

* Charles Martin, aged 46, was instantly killed by a north-bound 4:15 p. m. train near Fullerton yesterday afternoon. It is said Martin started to walk to Los Angeles and was run down by the train. The train crew believe the man jumped in front of the train with suicidal intent. The body was cut in two. Martin has relatives in Michigan. He recently received a jail sentence in Los Angeles.

G. H. Scott Endorsed by Eminent Jurists

To the Voters of the City of Santa Ana:

At the request of a number of our citizens some weeks ago I announced my candidacy for the position of City Attorney. I am highly mindful of the fact that the incumbent of said office should be clean, honest, competent and industrious, and should have at all times a disposition to vigorously enforce the law to the interests and welfare of our citizenship.

I claim to have had unusual experience in the line of work above indicated in the drafting and enforcement of the law in a city of some 30,000 people and wherein the wants and needs and laws and the objects to be obtained were quite similar to what they are in this city.

Santa Ana has ceased to be a village. Many problems demand executive officers who shall vigorously enforce the law where patience ceases to be a virtue. Efficiency is demanded in all the departments of the city. For instance the present street car service is conducted generally without any regard to the needs of the local traffic. The extension of the line east of the railroad tracks has been too long deferred, and other sections to the south and west are much in need of a line to that locality. In the mornings when employees go to their work and in the evenings from eight until after ten o'clock lack of service is too well known to numerous citizens upon their returning from their various places of employment and from church in the evening to admit of any discussion. These needs may be remedied without great difficulty but only when the above corporation is fully satisfied that the people will insist that this service shall be improved. I mention these instances merely as but a few of the conditions that exist which demand our immediate attention.

I am not entirely concerned whether I shall be your next City Attorney; but I am deeply concerned, as a citizen and tax payer in a modest way, that we should grow not only in numbers but in civic development and the character of citizenship regardless of the fact whether or not you shall see fit to entrust to me the position I have just indicated.

In my entire experience as an attorney I have never accepted a retainer or a fee of any kind from any client as against the moral and public welfare and the general good of the community in which I have lived, realizing that there is a limit at which an attorney's professional zeal should cease and his duties as a citizen prevail.

I came here three years ago to make our beautiful city my future home in which to rear my family, and am much concerned that the surroundings and environments should be congenial to all the attributes of good citizenship.

I will discharge with fidelity and to the credit of myself and all concerned any trust you may deem fit to place with me. That it is with some degree of pride that I can point to my past record both in public and private life and which I can fully support with a general approbation of several thousand people from the state of Iowa who are now residents of Southern California.

From among the estimable citizens who are at this time soliciting our suffrage in the coming election we should be able to fill the different departments of the city with men who are clean, honest, competent and industrious, and who have a disposition and purpose and object to administer the affairs of the city skillfully and economically to the credit and pride of its citizenship.

G. H. SCOTT.

G. H. SCOTT

Candidate for City Attorney

The subject of this sketch was born in the state of Illinois, March 3, 1861. In the year 1880 removed with his parents to the state of Nebraska. In the year 1882 returned to the state of Iowa, worked his way through college, taught school, and held the position of city superintendent of schools up to the year 1894, when he was admitted to the practice of law in the Supreme Court of Iowa and the following year admitted to the Federal court. Continued the active practice of law up to the year 1901, when he was elected JUDGE OF THE SUPERIOR COURT AT COUNCIL BLUFFS, IOWA, and continued to act in that capacity until the year 1907, when he was appointed special counsel for the state of Iowa under the Hon. Webb Byers, the Attorney-General of that state, to prosecute certain land claims in the United States Court, growing out of changes made in the course of the Missouri river. In the same year was appointed special counsel by the city of Council Bluffs to rewrite, revise, and compile and have re-enacted the laws and ordinances of the city of Council Bluffs and to publish the same in volume form of more than 600 pages for the use of said city. In the year 1909 removed to Southern California. Returned east the following year to complete several important cases pending in the state of Colorado and Iowa and returned in 1911, to California, where he has since lived, and in the spring of 1912 took up his residence in Santa Ana, where he has continued to reside and there resumed the practice of law.

UNITED STATES CIRCUIT COURT OF APPEALS EIGHTH CIRCUIT

Hon. Walter L. Smith, Circuit Judge
Council Bluffs, April 1, 1915.

Hon. George H. Scott,
Santa Ana, California.

Dear Judge:

I was glad to hear from you and that you were a candidate for City Attorney of Santa Ana.

Of course I do not know who the candidates against you may be but from a personal acquaintance of more than twenty years I can but feel that Santa Ana will be fortunate if you are chosen.

Your practice here and your service on the Superior Bench of this city both demonstrate that you are always on the side of morality and you have always brought to that side a very considerable ability not only as a lawyer but as a man.

Wishing you success, I am,

WALTER L. SMITH.

BOARD OF EDUCATION OF THE CITY OF LOS ANGELES
JOHN J. STEADMAN, Late Pres.
WM. A. SHELDON, Sec'y.

Los Angeles, Cal., March 29, 1915.

Hon. G. H. Scott,
Santa Ana, Cal.

My dear Scott:

I am glad to learn that you are interesting yourself in civic matters in your adopted city. You were always prominent in good works when I knew you in Council Bluffs, Iowa.

I recall when you were an active practitioner in the Federal Court when I was clerk of the U. S. District Court, Southern District of Iowa. Later when you were judge of the Superior Court of Council Bluffs. I have a kindly remembrance of your good offices in patriotic addresses to Veterans of Council Bluffs, Avoca and other points, when I was Department Commander of the G. A. R. Dept. of Iowa.

The years I was editor of the Daily Nonpareil were growing years for you and other young men in our good old state, most of whom have made good. I trust you will be successful in your endeavor to be elected to the office of City Attorney of Santa Ana. You have certainly had the experience to make a valuable official.

NATHAN W. MACY
816 North Raymond Ave.

Pasadena, Cal., March 29, 1915.

To Whom It May Concern:

I have been acquainted with Hon. George H. Scott, now of Santa Ana, California, and formerly of Council Bluffs, Iowa, for more than twenty years, beginning about the year 1894, when he was admitted to the Bar and entered upon the practice of his profession at Council Bluffs, Iowa.

I was one of the Judges of the District Court of the Fifteenth Judicial District of Iowa from the 1st of January, 1889, continuously for twenty years, and in that capacity, and with the opportunities thus afforded, I observed and became acquainted with the career of my friend as a man and citizen, and also in his profession.

He was a man of character and standing, irreproachable in habit and took an active and energetic interest in public affairs. He was upright and honest and deserved and received the esteem and confidence of his fellow citizens, and for six years held the position of Judge of the Superior Court of the city of Council Bluffs. I have no doubt the same characteristics of mind and heart which made him friends in Iowa have made and will continue to make him friends in his new home and thereby enable him to render useful service for others.

NATHAN W. MACY.

SANTA ANA CITY ELECTION IS TO BE HELD ON NEXT MONDAY. POLS OPEN 6 A.M. UNTIL 7 P.M.

From 6 a. m. to 7 p. m. Monday there races will add materially to run up the total vote.

As interesting a contest as there is among them is that for city attorney, in which a good deal of industrious campaigning has taken place.

It is believed by many of the propagandists that the vote is going to be heavy because there are ten different candidates out for city clerk, and the keen interest felt in that fight will bring out lots of voters.

The scraps for trustees are equally as lively, and the interest in those

is believed to be high.

How many votes will it take to elect a city clerk? Last November there were about 49,000 votes cast when there was the dry and wet fight to bring out a heavy vote. Some of those who are figuring the vote out say that there will not be over 3,500 votes cast Monday. Some think they will total 4,000.

Even at 4,000, that is an average of 400 votes for the ten candidates for clerk. It certainly looks as though the man who can get 800 votes ought to be at the top or close to it.

The polls will open at 6 a. m. and close at 7 p. m.

The names will appear on the ballots in the following order:

City Clerk (vote for one)—G. B. Brown, A. P. Dresser, Cecil DuBois, M. L. Lane, Cal. D. Lester, A. G. Lucas, Chas. P. Mattern, Chas. S. Shaw, Frank S. Trickey, E. L. Vegely.

Marshal (vote for one)—S. A. Clark, Clinton Innes, Sam Jernigan.

City Attorney (vote for one)—Clyde Bishop, W. F. Heathman, G. H. Scott, Treasurer—Olive Lopez.

Recorder (vote for one)—J. P. Spaulding, J. A. Willson.

Member of Board of Trustees to Represent Ward No. 1 (vote for one)—D. G. Cole, A. J. Visel.

Member of Board of Trustees to Represent Ward No. 2 (vote for one)—E. E. Cooley, John W. Tubbs.

Member of Board of Trustees to Represent Ward No. 3 (vote for one)—O. B. Alderman, J. S. House, O. H. Maryatt.

Member of Board of Trustees to Represent Ward No. 4 (vote for one)—J. W. T. Kimball, Geo. McPhee.

Member of Board of Trustees to Represent Ward No. 5 (vote for one)—E. C. Brockett, Walter Greenleaf, Lucien A. Sweet.

Member of Board of Education (vote for five)—F. L. Andrews, A. J. Crookshank, H. C. Dawes, J. L. McBride, Geo. W. Minter, R. R. Smith.

Following is a list of polling places and election officers for Monday's election:

Municipal Election Precinct No. 1

PATRIOTISM WAS THE KEYNOTE EXPRESSED

The fiftieth anniversary of the close of the Civil War, marked by the surrender of General Lee's army at Appomattox, was celebrated yesterday afternoon at the Polytechnic High School, where members of the G. A. R., Woman's Relief Corps, Ladies of the G. A. R. and Sons and Daughters of Veterans joined teachers and students in commemorating the day which restored peace and the unity to this country.

Plavan Wins Honors

"Spud" Morrison, the popular president of the student body, had charge of the afternoon program which was given in the open-air assembly, and before calling upon the speakers of the afternoon he announced that Ernest Plavan had won first honors at the state track meet at Fresno, with a broad jump of 21 feet, and also fourth place in a javelin throw. This report was received with a rousing yell that showed that school spirit, under the enthusiastic leadership of Billy Cole, was not suffering from any decline owing to the warm weather or "spring fever."

"America" was sung by the entire chorus, under the direction of Miss Ely, the voices of the Boys in Blue blending with those of the young people.

Robinson "Star" Orator

Principal McMath welcomed the visitors in his usual sincere and pleasing manner and emphasized the fact that it was not the defeat of the great southern general but the inauguration of peace that was being commemorated. After these interesting remarks, Morrison called upon the star orator of the high school, who gave an original oration that proved Vier Robinson's undeniable right to that title. He pictured the horrors of war in such a realistic manner that his hearers realized, anew, the terrible price that is being paid today by each nation of the war-stricken zone. The speaker has a deep, clear-toned voice and an eloquent delivery and his oration of yesterday is a bright omen of his future.

Sent to Peace Contest

Keith Davis received the honor of being chosen to represent the Santa Ana High School in the California Peace Contest, which offers a trip to the San Francisco exposition to the students who write the four best essays on "Peace." The subject of his splendid essay was "The Influence of the United States in Advancing the Cause of International Peace," and those who heard his masterful plea have visions of him enjoying the fair as a reward for his efficiency. He spoke glowingly of the part of the United States as peace-maker, beautifully expressed the ideals of peace and deplored the fact that the international press was not doing its part in blotting out this evil.

His essay was full of new thoughts

and inspiring and at its close, the speaker was greeted with rousing cheers which spoke eloquently of the pride which he justly merits from his schoolmates.

and inspirations and at its close, the speaker was greeted with rousing cheers which spoke eloquently of the pride which he justly merits from his schoolmates.

Patrician Instructor

The high school teachers had asked Judge E. T. Langley, patriotic instructor of Sedgwick Post, to take part in the special program, and before commencing his interesting address, the attorney highly complimented Vier Robinson and Keith Davis, saying that he had never heard two such grand and eloquent presentations. He emphasized the fact that the Poly High School should be proud of these two young men.

"The Civil War" was the topic on which the veteran spoke, to honor the day that reunited the North and South, and he illustrated the truth of this reunion by calling attention to the late war with Spain, when soldiers of the North and South fought side by side and northern and southern women joined the ranks of the Red Cross.

His talk, which dealt with such a serious subject, was lightened with witty anecdotes. He thanked the students for their undivided attention and closed with a fervent "God bless you."

TUBERCULOSIS REMEDIES ARE WORSE THAN WORTHLESS

No Real Cure Possible From
Patent Preparations In-
vestigated by U. S.

After investigating under the Food and Drugs Act, a large number of preparations advertised as consumption cures, the Department of Agriculture has not been able to discover any that can in any sense be regarded as "cures" for tuberculosis. Some contain drugs that may at times afford some temporary relief from the distressing symptoms of the disease, but this is all. Since the passage of federal legislation prohibiting the shipment in interstate commerce of medicinal preparations for which false and fraudulent claims are made, there has been a marked tendency to label these preparations "remedies" instead of "cures" or "infallible cures" as they used to be called. In many cases, however, they can not even be regarded as remedies.

A "cherry balsam," for example, for the "cure" of "consumption" and "hemorrhage of the lungs," which it was represented would "strike at the very root of the disease," was found on analysis to be nothing but a solution in water and alcohol of opium, sugar, benzaldehyde, inorganic salts and coloring matter. It contained no cherry bark extract or balsam.

A more elaborate "cure" consisted of five different preparations which the credulous patient was to take separately. These were first, the medicine proper, the essential ingredients of which were found to be morphine, cinnamic acid and arsenic—not a very safe mixture to take habitually; second, a tonic which was supposed to contain iron, but did not; third, a "cough mixture" made up of alcohol, chloroform, and codeine, which is a derivative of opium or morphine; fourth, a mixture which contained some quinine, and a solution of water and alcohol; and fifth, codeine tablets. Even the strongest constitution could hardly stand a prolonged course of such a treatment.

In the marketing of such prepara-

RECIPE TO CLEAR A PIMPLY SKIN

Pimples Are Impurities Seek-
ing an Outlet Through
Skin Pores

Pimples, sores and boils usually result from toxins, poisons and impurities which are generated in the bowels and then absorbed into the blood through the very ducts which should absorb only nourishment to sustain the body.

It is the function of the kidneys to filter impurities from the blood and cast them out in the form of urine, but in many instances the bowels create more toxins and impurities than the kidneys can eliminate, then the blood uses the skin pores as the next best means of getting rid of these impurities which often break out all over the skin in the form of pimples.

The surest way to clear the skin of these eruptions, says a noted authority, is to get from any pharmacy about four ounces of Jad Salts and take a tablespoonful in a glass of hot water each morning before breakfast for one week. This will prevent the formation of toxins in the bowels. It also stimulates the kidneys to normal activity, thus coaxing them to filter the blood of impurities and clearing the skin of pimples.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia. Here you have a pleasant, effervescent drink which usually makes pimples disappear; cleanses the blood and is excellent for the kidneys as well.—Advertisement.

tions considerable ingenuity is frequently shown. One of the main objects is to persuade the patient that he is receiving, at a comparatively low price, the individual attention of a trained specialist.

As a matter of fact, the successful treatment of tuberculosis requires much more than the mere giving of medicine and, moreover, what will help one case will not necessarily help another. Claims that are absolutely unwarranted are no longer permitted on the labels of medicines shipped in interstate commerce, but the wording may be such as to convey a misleading impression without the use of absolute statements. Thus these preparations continue to find a sale despite the fact that a little trouble on the part of the prospective purchaser will reveal their worthlessness.

ON BEHALF OF J. P. SPAULDING FOR CITY RECORDER

Pass it around. The friends of J. P. Spaulding believe that a good thing should be passed around. If J. P. Spaulding is qualified for the position of city recorder, sometimes known as police magistrate, and he unquestionably is, he should be elected to that position, which pays \$50 per month. His opponent has held the position for twelve years and Mr. Spaulding's friends believe it is time to pass it on. J. P. Spaulding is an honored member of the G. A. R., stands for the strict enforcement of all laws, known no classes, and will dispense justice equitably, tempered with mercy, to every one. The "Old Boys" who suffered the horrors of war that our nation, as a united nation, might remain, are rapidly passing away, and if those who appreciate the services of these old veterans wish to show their appreciation, this will, perhaps, be the last opportunity to do so in this manner for this noble country man, before he shall receive the last call to join that great army of his brethren who have passed over the way. His ability, his reputation as a citizen are unquestionable. Why not pass it around?

The casket was surrounded by wealth of floral offerings, tokens of the high esteem, love and respect felt for the departed. A number of the Santa Clara pioneers, who settled in Santa Ana at about the same time as the Fine family, were also present.

Horace and Walter Fine, sons of Mrs. Fine, and their families, two brothers of the deceased, and many nieces and nephews were present. The pallbearers were long-time friends of the deceased. **HATS OFF TO TUSTIN**

Tustin is in many ways a favored and superior community. It is composed of exceptionally intelligent and enterprising people; it is, as a section of country, marvelously rich and beautiful. Therefore it is not surprising that it should do things, big things, and do them well. However, the average citizen of the county was not prepared for the pleasant and inspiring surprise that he experienced upon entering the beautiful and spacious auditorium of Tustin's new school house last evening to attend the Ebelt Day Nursery committee's delightful entertainment.

This is not the time or place for presenting any description of either the building or the auditorium; but it is entirely proper to speak of what this splendid public improvement means, not merely to Tustin, but to Santa Ana and to the entire county. It is not merely a source of pride and inspiration in a material sense; it is and will be a means of community culture in the largest and best sense. It means most, of course, for Tustin. It will be the cultural civic center for the entire school district. And every boy and girl, every man and woman who comes into the sphere of its influence will be bettered thereby. Its beauty and comfort alone will contribute largely to the mental, moral and physical health of the community, but the facilities it will afford for the cultivation of social, intellectual and spiritual graces will contribute immeasurably to higher standards and more lofty ideals.

The people of Tustin are to be commended and congratulated upon their achievement, and the entire county is to be felicitated upon the contribution of that achievement to the general welfare.

APPOMATTOX

The fiftieth anniversary, April 9, of the surrender of Lee at Appomattox is not being observed much by public celebrations, which is as it should be. It is one of the great historic events of American life. Yet few northern men care to "rub in" these memories. They can only have sympathy for the tragic desolation of the South.

To the older people the memories of that portentous day will never grow dim. The gulf between the two sections seemed as high as heaven and as deep as hell, ghastly with skeletons, ruined homes and fortunes.

Yet time heals all wounds. There are scars visible, but flowers have grown over the graves and the ruins. Perfect harmony can never be expected between widely separated sections of any large country. The fact that differences exist does not prove that the relations are not cordial. The East and the West have their sharp conflicts, almost as much as South and North.

A nation that spreads over so vast an expanse as the United States has many divergent interests to reconcile. It can never be as harmonious as a small and compact country. It gains all the power and freedom of greatness, but it pays for it with the diversities of ideas and points of view. These diversities are often sharp, yet they need never be serious or threatening.

If it was only possible for the great mass of the people to travel freely all over the country, friction between sections would be reduced to a small minimum. Most of the differences referred to result from a lack of personal understanding of the people and problems of other sections.

The heroism of the two armies that finally joined hands at Appomattox is the joint heritage of all the people. Their endurance and their daring are an expression of the idealism and determination of American character. Any man who had an ancestor on that field has a right to rejoice in the glory of his blood, regardless which side he fought on.

JEFFERY ANNOUNCES REDUCTION IN PRICE

Four million dollars worth of truck received in three weeks' time, 500 men added to the factory working force, a great organization of mechanics and workmen laboring twenty-four hours a day in three eight-hour shifts to produce the Jeffery product, has placed the Jeffery organization at the high peak of prosperity in the automobile industry.

Two years ago the Jeffery Company introduced into America the Jeffery Four—the first high grade motor car with the high speed, four cylinder motor to sell at a moderate price. During the past year the Jeffery Company developed the Jeffery Quad—the four wheel drive truck which has been endorsed by the leading governments of the world—and brought out the Jeffery Chesterfield Six—the first car in America selling at \$1650 to be equipped with features found previously only in the highest priced cars.

As a result of the sale of large quantities of Jeffery cars to all parts of the world with a consequent reduction in manufacturing costs, the Jeffery Company has decided to place within the reach of the people of the United States a high grade four-cylinder car at a price never heard of before in the industry. The Jeffery Four is announced at \$1150. The purpose of this announcement is to give to Jeffery purchasers, Jeffery friends and Jeffery friends their share of the benefit of this prosperity that has come to the Jeffery company.

The car will be here in a few days and open to visitors. Mr. Hermiston will be here tomorrow. We extend to all an invitation to these services. There will be splendid singing and preaching.

COL. HEATHMAN'S LAST STATEMENT BEFORE ELECTION

We know he has the interests of our schools at heart, and we believe that he will make a valuable member of the Board of Education.

His friends claim that he has managed the city's law business safely, that he has never got the city into serious loss or trouble and that it is better for the people to keep him in the city attorney's office than to try a new attorney who might get the city into serious trouble on account of his inexperience.

Please remember that the man you call "Colonel" is no other than W. F. Heathman, candidate for city attorney, and please don't fail to put a cross opposite his name on next Monday.

This is stated for the reason that in past elections he has lost many votes by some of the voters not knowing that "Colonel" and "W. F. Heathman" were one and the same person.

WILL ASK PROCEEDS GO TO THE STUDENT BODY

The Senior class of the Santa Ana high school held an important meeting Thursday afternoon at 3:30.

The class has a deficit in the treasury of \$8, and after several suggestions as to the best way to make this up, it was decided to tax each member of the class 20 cents. This money should be paid to the treasurer as soon as possible.

A motion was made by Marvin Morrison that a committee be appointed by the president to go before the Board of Education to see if the proceeds from the class play can go to the student body this year. The motion carried.

"The College Widow" was decided on as the class play and the tryout will be held after vacation.

AMUSEMENTS

Temple Theater

Manager Schlesinger has a great treat for Santa Ana folks for Monday, Tuesday and Wednesday this coming week, when the Temple theater will present "The Love Route," a great western, play that was taken right here in our midst about two months ago out on the Irvine ranch.

The cast of actors are all well known stars, a great many of whom were seen in "The Girl of the Golden West" and "The Warrens of Virginia."

Harold Lockwood, who played opposite Mary Pickford in "Tess of the Storm Country," and "Hearts Adrift," and opposite Marguerite Clark in "Wildflower" and "The Crucible," will be seen in the leading role of "The Love Route," and Winnifred Kingston who took the leading feminine role in "Brewster's Millions" and many other notable productions, will be seen playing opposite to Harold Lockwood in "The Love Route."

For tomorrow (Sunday) the great American actor, William Farnum will be seen in his splendid success, "The Redemption of David Corson," while tonight will be your last chance to see Blanche Sweet in "The Warrens of Virginia," showing some of the greatest and most wonderful battle scenes of the Civil War that have ever been attempted in motion pictures.

BAPTIST C. E. SOCIAL

Members Enjoy Jolly "Kid Party" at the Church Last Evening

Happy recollections of childhood's days were uppermost in the minds of the Endeavours of the First Baptist church last evening, when the members and their friends gathered in the church parlors in response to the following special invitations written on cards decorated with pictures of chicks and bunnies:

"To be a kid again would give you a thrill."

The C. E. invites you the ninth of April.

Come, meet in the parlor, 'twill give you great joy.

To dress like a girlie, or a sweet little boy.

Should you fail to come costumed 'Twill cost you a quarter, So, dress like a kid, and come as you oughter."

It was about 7:30 o'clock when the merry crowd came trooping in; the lasses wearing the regulation school girl middy, with hair in long braids or curled with huge bows of ribbon; the lads clad in sailor suits. Some of the more sedate members failed to come "costumed" and much merriment was created in the collection of fines, Miss Lulu Minter acting as cashier.

Before entering into the social proper, a short devotional business meeting was held, during which good reports were listened to from various committees of the society and Mrs. Warren Brakeman and Miss Ida Nay were appointed press reporters for the society.

During the social hour merry games such as "Going to Jerusalem," "Button" and Stage Coach were played and school day songs sung.

Partners were selected by matching cardboard Easter eggs, after which each person was provided with cambric, scissors, needle and thread and told to make a bib, each one for his partner. This arduous task being completed, the gentlemen were asked to escort their partners into the dining room where prettily appointed tables, decorated with California poppies and cala lilies corresponded with the decorations in the parlors.

The menu consisted of a bountiful supply of bread and milk and animal cookies and other goodies dear to the heart of the child. The souvenirs

were tiny excelsior nests filled with candy eggs. All present entered heartily into the spirit of freedom, enjoying themselves in true childlike manner.

After the merriment had somewhat subsided, and while still seated around the tables all joined in the singing of the old familiar but ever beautiful hymns.

The committee responsible for this most enjoyable evening's entertainment consisted of Misses Lula Minter, Mamie Havens, Ada Borden, Mr. and Mrs. Leslie Pearson and Mr. and Mrs. Frank Harris.

ENGAGEMENT IS TOLD

Wedding Bells Will Chime for Beloved Principal of Spurgeon School

One of the prettiest social affairs of the springtime took place last evening at the attractive home of Mrs. George Heil of South Broadway, the guest of honor being Miss Naoma Liley, who has made her home with the Heils for the past year.

The lovely home was a veritable bower of forgetmenots, these dainty, suggestive flowers being combined with fernery and massed in baskets of brown, in every conceivable nook and corner throughout the rooms.

The merriment of the evening commenced with a game of "Forget-me-not," the object of which was to form words out of the letters contained in this pretty flower. Tally cards in delicately tinted shades of pink and blue, the exquisite handiwork of Miss Ruth Heil, were used in keeping score and the brilliancy of Miss Farla Benus, who formed fifty-seven words, was rewarded with a beautiful forgetmenot bouquet.

"Follow the leader" was the feature of the evening's entertainment and when Miss Ruth Heil appeared, carrying a basket of "diplomas" daubed with blue satin ribbon caught with a cluster of forgetmenots, the guests were requested to minutely follow her directions. Following their leader, they untied the diplomas, in unison and found them to contain the announcement of Miss Liley's "graduation" from her faithful services as principal of Spurgeon school and the "commencement" of a new life under the guidance of Dan Cupid. The lucky man in the case is Mr. Louis M. McDade, a prominent young business man of Pasadena and while the many friends of the charming bride-to-be regret keenly that Spurgeon school will lose its faithful and efficient principal next year, they join in wishing her the happiness which she so richly deserves.

Besides so capably fulfilling her duties as principal of Spurgeon school Miss Liley has endeared herself to both mothers and pupils by the unselfish interest shown in those many hours of training her pupils in elocution, the success of the recent Silver Medal contest being in a great measure due to her inspiring helpfulness.

The delightful evening closed with the serving of delicious heart-shaped cakes, ice cream, frosted in which, the blue and white color motif was represented.

Those who enjoyed this happy affair were the members of the rook club, with whom Miss Liley is a prime favorite, and the teachers of Spurgeon school. The guest list included Misses Vanche Plumb, Carrie Miller, Theodore Beecher, Grace Roberts, Dalma Young, Artie Covington, Frances Lapum, Hester Covington, Lottie Sweet, Ada Borden, Dr. Ad. B. Keller, Ethel Wright, Farla Benus, Helen Wells, Esther Swedell, Stella Kaufman, Gertrude Snow, Ruth Heil, Frances Heil and Mrs. S. J. Liley of Pasadena.

"MOST DELIGHTFUL"

Thus the Verdict on the Ebell Entertainment at Tustin Last Evening

The concert and dramatic entertainment given last evening under the auspices of the Santa Ana Valley Ebell Day Nursery committee, for the benefit of the Ebell Day Nursery, Santa Ana, and the Tustin school auditorium Eagle Fund, at the Tustin school auditorium, was a decided success from every viewpoint. The rare opportunity of hearing distinguished artists was coupled with the chance to help in an exceedingly worthy cause, and many were also pleased to congratulate the enterprising citizens of Tustin on their beautiful new educational edifice.

The stage decorations, in charge of Miss Minnie Childs of Tustin, were very artistic. Potted ferns and palms were used in the background, masses of red roses adding the necessary color note, and those who attended were glad to share in the payment for the beautiful snowy eagle, which holding the stars and stripes in its beak, hovered over the rostrum.

The excellent entertainment opened with "Sweet and Low" and "Thro' the Night," sweetly sung by the Tustin school children who had been drilled most capably by their teachers.

Mr. C. A. Marcy, principal of the Tustin school, in his usual pleasing manner, brought greetings to the out-of-town visitors, who were disappointed to learn that Mr. Percy Rice, talented soloist, who was to have been part in the program, had been called east.

Misses Eva Stearns, Anita Preble and Dorothy Utt, with Miss Gertrude Utt as accompanist, gave a delightful violin trio, "Honey March," and their selection was followed by the reading, "The Philosopher in the Apple Orchard," by Mr. and Mrs. Ernest Crozier Phillips. The dramatic talent of Mr. Phillips, who is so well known, needs no comment, but many heard his charming wife for the first time, and all were delighted with this clever number. By request Mr. Phillips gave an amusing account of a young fellow who, on the verge of a proposal, was saved from this irrevitable move by the other lucky fellow.

Robert Paine Jr., pleased so highly with his solo, "In the Garden of My Heart" that he was forced to respond with an encore. Mrs. James Willis Rice played his accompaniments in her ever pleasing manner.

Miss Ida K. Hinds of New York City, a reader of wide reputation throughout the east, whose hair has beautifully silvered during her years of service for the children of our country, gave such delightful readings that all who heard her are anxious to hear her again. She won a tremendous place in the hearts of the children, as well as the grown-up folk, who greeted her every appearance with gleeful handclaps. Miss Hinds proved to be an exceedingly versatile reader, adapting herself to selections tragical, pathetic, humorous and of various dialects.

Miss Hinds also made an eloquent plea for the organization of a "Knights and Crusaders League," for the purpose of directing the vitality and enthusiasm of youth in the right direction and making the boys and girls feel that they are needed and have a place as citizens, to whom law should mean protection instead of a force to be feared. She illustrated her talks on "Child Welfare" with a pathetic little story of street waif, one of the many unfortunate children of the large cities, who need "looking after."

Miss Bess V. Daniels, a recent piano pupil of Mozzowski, in Paris, gave Chopin's Etude, opus 10, number 3, and "Au bord d'une Source" (At the Spring) by Liszt. Both numbers were expertly rendered and heartily applauded.

The rich contralto voice of Mrs. James S. Rice was beautifully suited to "Your Voice," by Denza, and by request Mrs. Rice graciously favored the audience with "Hail! Easter Morn," with organ accompaniment by Mrs. Samuel W. Nau and violin obbligatos by Mr. James Willis Rice, who also gave two solos which proved his remarkable ability as a violinist.

Mrs. A. J. Crookshank, the chairman of the Day Nursery committee, gave the pleasing touch to the program's close when she gracefully thanked the patrons who had shared in the evening's success, prettily voicing this sentiment with the French "Je vous remercie."

Not a small part of the pleasure of the occasion was derived from the beauty, spaciousness and fine ventilation of the auditorium, an appreciation of which is expressed by the Register on its editorial page.

Rev. Fowler is a pleasing, earnest evangelist, and the influence of the meetings he is holding is being felt.

Kuebler has put his property in such shape that the woman cannot levy to secure back alimony. The complaint filed today states that Kuebler had a ranch worth \$5000, on which a bank had a mortgage. It is declared that the bank was allowed to foreclose, and at the sale Bert Kuebler bought the property.

Mrs. Kuebler declares there was a collusion between father and son to carry out this plan. The court is asked to decree that the woman has a lien against the property to collect \$360 back alimony. Alimony has not been paid since October, 1913. G. L. Keeter and B. W. Utter are attorneys for the plaintiff.

JUVENILE COURT**

Sam Kennedy and Reginald Hill were in Justice Cox's court this morning for a brief stay. The justice found that Kennedy was 17 years old and Hill 15, and upon that information the two boys were ordered to the juvenile court. Their cases will probably be disposed of in that court next week.

Mitchell stated that at present school supplies in Orange county are secured at fair prices. However, should a number of districts combine and bids be received for a good sized order, the saving might run into the thousands of dollars in the course of a year.

Divorce Action

Annie Gow has brought suit for divorce against James C. Gow. Tipton & Callor of Anaheim are attorneys for the plaintiff.

All Over Alimony

The sensational divorce action of Owega Kuebler against Harrison Kuebler, a well-known Anaheim man, that occupied considerable attention in the superior court four or five years ago, has come back for another hearing. The trial resulted in neither party getting a divorce. Kuebler was ordered to pay his wife \$20 a month alimony. She stated she would live apart from him.

Today Mrs. Kuebler brought an action against her husband and her stepson, Bert Kuebler. It is alleged that

H. Halladay, secretary of the Chestnut Avenue Improvement Association, has received the following communication from George C. Roy, receiver for the Crandall Construction Company, and has handed it to the Register:

Through you, as representing the Chestnut Avenue Improvement League, I wish to answer the many inquiries as to whether or not the contract entered into by the Crandall Construction Company for the paving of East Chestnut avenue will be completed. Until certain conditions change, no more work will probably be done upon the street and for the convenience of the traveling public the portion of the street which has been closed to traffic and plowed up will be temporarily smoothed up and opened.

This act should not be construed as evidence that the completion of the contract has been abandoned. My appointment as receiver specifically commissed me to complete this contract to the tracks of the Southern Pacific railroad and until I am relieved by the court I understand that I am bound to do it.

There are others also interested in the Crandall Construction Company who feel such a responsibility for the paving of the street that they have stated that the street will be paved. At present, however, the conditions on every side of the question are prohibitive. It is hoped that later on when collections are well cleaned up and some of our obligations are cancelled the way may be clear to do this long delayed work.

In the meantime if you and your associates will continue to possess your souls in patience we will do the best we can to perform our duty.

GEORGE C. ROY, Receiver.

LOT IS GIVEN TO PRESBYTERIAN CHURCH

The Presbyterian church was presented with a gift last Sunday at the Easter service.

David Hewes, the well-known Orange county pioneer, gave the church a valuable lot on Main street, just west of the lot on which the church stands.

Mr. Hewes, with his secretary and two friends, came into the church before the close of the Sunday school and seemed much interested in the closing exercises. After the opening of the morning church service he indicated that he wished to speak to the congregation and arose and presented them with the lot, to either enlarge the church, build a parsonage or do whatever they thought wise to do with it.

Mr. Hewes is very much pleased with the interest and enthusiasm now being shown by the members of the church and with the work of the new pastor, Rev. W. S. McDougal.

He spoke of the memories connected with the church and also of predictions made by his wife that future generations would appreciate the church and continue the work there; that they could not judge by the small beginning as to what it would be in the future.

Mr. and Mrs. Hewes were charter members and were instrumental in building the church. He expressed himself as having the conviction that Mrs. Hewes' words would come true.

WHAT THE MONEY WOULD DO
Following are some of the benefits which might accrue to the citizens of the United States if the annual drink bill of \$1,724,607,519, was turned into legitimate channels.

It would pay interest and sinking fund on the amount necessary to buy comfortable homes for nearly nine million people.

It would buy a suit of clothes for every man and boy and a dress for every woman and girl in the United States, with enough left over to buy a pair of shoes for everybody.

If the money spent for drink was spent for homes, tenancy would disappear in the United States within one generation.

If it were spent for education every child in the country would receive a college education.

If it were spent for automobiles every family in the country would own a car before 1924.

If it were spent for religion, it would be less than a decade carry the gospel to every living creature.

If it were spent for railroads, it would buy every mile of railroad in the United States in ten years.

If it were spent for government, it would pay all the expenses in the United States with enough left over to pay the bonded debt of all the states of the Union.—American Grocer.

CHURCH REPORTS ARE GIVEN AT ITS MEETING

The annual reports of the work of the Presbyterian church were read last Thursday night at a congregational meeting held in the church. The usual annual supper was omitted and E. J. Cranston trustee. All the reports.

J. A. Dorn was re-elected clerk and E. J. Cranston trustee. All the reports were good and the outlook for the coming year with a new pastor is very encouraging.

A program of recitations and music varied the reading of reports. Those who participated in the program were Misses Dorothy Utt and Anita Preble, violin; Misses Gertrude Utt and Valda Willard, piano; Mr. Bailey, baritone and violin, accompanied by his sister, Miss Hazel Bailey; recitations by Misses Lida Turner and Irene Green and song by Miss Margaret Tingley.

Owing to a misunderstanding, a minister from the Presbytery was not present and therefore, the meeting to call the pastor was postponed till Sunday morning after the church service.

WORK ON PLANS FOR MAY DAY FESTIVAL

Edited by MISS FRANCIS STONE

Our Regular Tustin Correspondent

SOCIETY AND CLUBS

An Enjoyable Saturday Night

Everybody was welcome and everybody was delighted at the school auditorium Saturday night with the home talent entertainment given under the direction of the four college boys who were visitors in Tustin last week.

Miss Wilhelmina Bennett opened the program with a beautiful piano solo and of course she responded to an encore.

Some of the other good things which brought forth a storm of applause from the audience were Mr. Steelhouse with his cornet accompanied by Miss Gertrude Utt, Miss Jessie Rawlings two songs, a duet by Misses Mabel Logan and Jessie Matthews accompanied by Mr. Jayne with the flute, and piano by Miss Utt. Mr. Bailey, Mr. Brown, Mr. Steelhouse, Mr. Jayne, with clarinet, cornet, violin, flute and piano delighted the audience.

Then came the Santa Ana High School boys' quartet songs.

Miss Ruth Rawlings gave two very engaging recitations, followed by a song by S. E. Tingley accompanied by Miss Margaret Tingley.

There were violin pieces by Miss Dorothy Utt, a piano solo by Miss Gertrude Utt, and the last was an Easter praise song by Herman Pettit accompanied by Miss Utt.

All the week Misses Steelhouse Pettit, Jayne and Brown had been attracting full houses at their evangelistic services, talking "right out from the shoulder," as they said, about the power that has come into their lives from the Gospel. They had the close attention of many of the young people and their wholesome influence will be felt for some time. Along with the more serious meetings there were several delightful hikes and a trip to Laguna.

By Saturday night they knew most of the talented young folks in town and getting them together a free for all entertainment was given in the school auditorium.

For the best display of the following: Carnations, snapdragons, larkspur, petunias, digitalis (fox glove) and pelargoniums; for the best twelve nasturtium blooms, the best twelve sprays of verbenas and the best six spikes of watsonias; or the best display of flowering shrubs, of flowering vines, of bulbs, of flowering pot plants, of foliage plants and for the best floral basket.

All exhibits shown in competition must be grown by the exhibitor.

FUNERAL OF MRS. SHATTO
The funeral services of Mrs. W. L. Shatto were held Thursday afternoon at Smith's chapel in Santa Ana.

The chapel was filled with friends sorrowing for the loss of so beloved and useful member of society.

She had been encircled with most beautiful flowers, one of the loveliest designs of which bore the letters "W. C. T. U."

The services were conducted by Rev. M. E. Ladieu, pastor of the Tustin Advent Christian church; Rev. F. L. Richardson, former pastor, and Rev. Roger Sherman, president of the Southern California conference.

They all testified personally to the uplift she had given them in her devotion to the church.

The songs "Face to Face" and "Shall Not Be a Stranger There" so appropriate and beautiful, were sung by Mrs. Wittemore and James Vronan of Los Angeles and a chant was sung by members of the Tustin church choir.

Mrs. Sarah Brown, who has succeeded Mrs. Shatto as president of the Tustin W. C. T. U., in a short talk, paid a loving tribute to her memory in behalf of the union.

There were about thirty members of the union present and each carried a beautiful white carnation and fern tied with a white ribbon which they laid at her side as they passed out.

Mrs. Shatto passed away from earth's pains and trials on Monday night, April 5, at 10 o'clock, after an illness lasting over a year, caused from heart trouble. During that time she has worn a smile for every one and her confidence in an all-wise Providence has been supreme.

Up to the time of her first attack Mrs. Shatto had been a very busy woman, working to further the cause of her church. She was teacher of the adult young people's class in the Sunday school and leader of the church choir. She always attended the church services and prayer meetings when possible.

With her W. C. T. U. work she kept time to be a beautiful home keeper.

As president of the W. C. T. U. in Tustin, her efforts never flagged in keeping herself and others informed as to the interests and progress of the work, in making the meetings interesting and in doing everything that could be done to further the cause of temperance.

Her influence will long be felt as an inspiration to those who follow up her work along these lines.

W. C. T. U.

The members of the Tustin W. C. T. U. held their regular meeting Thursday afternoon at the home of Mrs. L. A. Cock.

There were twenty-three ladies present and the afternoon was devoted to a memorial service for Mrs. W. L. Shatto, after the regular business had been disposed of.

Mrs. E. Ladieu had been appointed to lead the meeting and in consultation with Mrs. Shatto she had selected an article to be read at this meeting about devotional exercises held by the soldiers in the trenches at the battle-front of the war. The piece was read by Mrs. C. A. Miller and impressed every one present, not only

the members of the church.

Concert and Dramatic Entertainment

The concert and dramatic entertainment given last night in the school auditorium by the Tustin Day Nursery committee and the Tustin school children was a brilliant success.

A large number of tickets were sold and the proceeds amounted to a gratuity sum.

Those who bought tickets were assured of a treat beforehand, knowing as they did most of the artists who were to take part in the program.

The stage had been beautifully decorated by the Ebell Flower committee and when the school children came out for the choruses which they sang, the sight was as pleasing as the lovely sounds.

The cause for which it was given and the unusually attractive program were the means of bringing out a fine audience of both Tustin and Santa Ana to be entertained by the following artists:

Readers—Miss Ida K. Hinds, of New York City; Mr. and Mrs. Ernest Crozier Phillips.

Planist—Miss Bess V. Daniels, of Los Angeles.

Vocalists—Mrs. James S. Rice, Percy F. Rice, J. R. Paine, Jr.

Violinists—James Willis Rice, Misses Eva Stearns, Anita Preble and Dorothy Utt, pupils of James Willis Rice.

Accompanists—Mrs. James Willis Rice, Miss Gertrude Utt, piano; Mrs. Samuel W. Nay, organ.

The piece was read by Mrs. C. A. Miller and impressed every one present, not only

because of its thrilling interest, but because it had been selected by Mrs. Shatto to be read at this meeting.

The corresponding secretary read a communication asking for the approval of the Tustin Union for certain amendments to the State constitution now pending, the most important of which was that portions of scripture be studied in the public schools for their literary merit. This amendment received the hearty endorsement of the ladies present.

Entertainment Last Sunday

Mr. and Mrs. T. R. Overton were host and hostess last Sunday at 1 o'clock dinner in honor of Mr. and Mrs. Eugene Winchell and Mrs. A. Altman, who are soon to leave for Almena, Kan., the home of Mrs. Altman.

A table reaching almost through two rooms was spread and the lovely wisteria was used in decorating the rooms.

A large pyramid of wisteria and pink rose buds made beautiful center for the table upon which was spread a bountiful repast.

The guests were Mr. and Mrs. Eugene Winchell, Mr. and Mrs. A. O. Cozad, Mr. and Mrs. C. C. Cozad and family, Mr. and Mrs. Glen Breeding and family and Ed Rumsey of Santa Ana, Mr. and Mrs. Leo Fallert of Fullerton, Mrs. A. Altman, Almena, Kan., N. O. and Wyatt Winchell, San Diego; Mr. and Mrs. Henry Cozad of Los Angeles, Mr. and Mrs. Arthur Cozad of Garden Grove.

Surprise Farewell Party

The home of Miss Ruth Prunty was the scene of a gay crowd last Tuesday night.

The occasion was a farewell to Miss Prunty, who left with her mother, Mrs. S. H. Brundage, for Santa Rosa on Wednesday where they expect to stay.

The young people had a most happy time with games and funny stunts. There were about twenty-three present to wish her good luck in her new home.

ORANGE MODERN PRISCILLAS OF VILLA PARK AT LUCAS HOME

ORANGE, April 8.—The Modern Priscillas of Villa Park were entertained by Miss Marjorie Lucas yesterday afternoon and enjoyed a very pleasant time.

Pink roses which decorated the dining room with California poppies in the living room lent an atmosphere of exceptional charm to the affair. Fancy work occupied the attention of the guests and divided interest with an informal musical program of which a piano solo by Miss Lucas and a vocal solo by Mrs. Herbert Livingston were features.

At 4 o'clock delightful refreshments were served, and later the guests reluctantly departed to meet next week with Mrs. L. DeLong.

Surprise Party

The Intermediates of the El Modena Christian Endeavor Society had a very nice surprise party on Eugene Stanfield last night at his home. It was a surprise, but the way it turned out the surprise was on the Intermediates.

Mrs. Stanfield had hoped that her boys would be on their way delivering milk by the time the ice cream was delivered, but something occurred to delay them and so it happened that Eu-

CULINARY HINTS

From a Book of Recipes Prepared by a Famous Woman Editor

In a book of recipes prepared by Emma Churchman Hewitt, for many years associate editor of the Ladies' Home Journal and other leading magazines, many valuable suggestions are given regarding the use of corn-starch. In the hands of the experienced housewife, corn-starch is often used a dozen times a day. It gives the rich creamy consistency so much desired in gravies and sauces; the fine texture to bread, biscuits, cakes and cookies, and makes the pie crust flaky and perfect. It is also indispensable in making custards, chocolate eclairs, sherberts, ice cream and many other delicacies.

Mrs. Hewitt goes on to explain, however, that there is a great difference in corn-starch, and that good results cannot be obtained with inferior brands. She says that the experience of up-to-date housekeepers everywhere was the same as her own—that those who had the greatest success with corn-starch recipes always depended upon Kingford's brand.

Kingford's can be obtained at all good grocers everywhere. It costs no more than inferior brands. Try Kingford's cornstarch once and you will use it always.—Advertisement.

Benefit Program

The program given at the Colonial Theater last evening as a benefit for the Daughters of Veterans' monument fund proved a decided success. The performance was largely attended, the program including patriotic dramas and special orchestra music which were greatly enjoyed.

Receipts turned over to the Daughters of Veterans will be added to the fund for erecting a monument to the unknown dead who fell during the Civil War. The Daughters wish to thank not only Manager Hudson for the use of the theater, but also the public whose patronage made the benefit a success.

Mrs. D. W. Keiser of 606 East Chapman avenue entertained Circle No. 5 of the M. E. Ladies' Aid Society on Tuesday from 2 to 5 o'clock.

A delightful musical program was rendered, including piano solos by Miss Emma Claypool, Miss Ada Moore and Miss Cleo Johnstone, vocal solo by Miss Thorneburg, song by Little Dorothy Hall and readings by Mrs. Cora Widdowson and Emma Claypool. After the program, delicious refreshments were served.

At the High School

Mr. E. W. Houck, principal of Anaheim High School visited Orange High yesterday. Although Mr. Houck said that he had lost the outline for a speech he had prepared for the student body, he gave a very interesting and beneficial talk during the assembly period from 1 to 1:15 p.m.

He illustrated very clearly by a number of interesting examples the concrete benefits of education and showed its different values and worth from the standpoint of the grades, high school and college graduate. During his talk he emphasized the importance of imagination for success. He gave a number of parva puerilae illustrations, but for its application to the male species he left it entirely to the imagination.

The speech was altogether appealing to the students and it is hoped more will be seen of the principal of the neighboring school.

Clean-Up Plans Are Now Being Perfected

MAYOR EY, BY PROCLAMATION SETS DATE FOR CLEAN-UP WEEK AS APRIL 19 TO 24

A PROCLAMATION

To the Citizens of Santa Ana:

At a regular meeting of the Board of Trustees of the City of Santa Ana held on the 5th day of April, 1915, I was instructed by said Board to issue a proclamation to the citizens of Santa Ana informing them that said board declares that a clean up season shall exist in the City of Santa Ana between the 19th and 24th days of April, 1915, in which all citizens owning or controlling lots in the City of Santa Ana will clean up said lots of weeds, also the sidewalk in front of said lots, with the view of making the City of Santa Ana clean and presentable to the strangers that come in our midst. I therefore proclaim the period of time from the 19th to the 24th days of April, 1915, clean up day and exhort the citizens of Santa Ana to heed this request of the Board of Trustees and co-operate with the city authorities in cleaning said city of weeds or any other object that will appear unsightly or undesirable.

Dated April 6, 1915.

FRANK EY, Mayor.

ENDORSEMENT OF M. & M.

At the regular meeting of the Merchants & Manufacturers' Association last night a resolution endorsing Clean-Up Week in this city was endorsed. Each member of the Association will be asked to personally see that his own property is properly cleared of weeds and other objectionable matter.
